N.W. (Square 2654, Lot 34).

HEARING DATE: July 21, 1999
DECISION DATE: July 21, 1999 (Bench Decision)

SUMMARY ORDER

The Board provided proper and timely notice of public hearing on this application by publication in the D.C. Register, and by mail to Advisory Neighborhood Commission (ANC) 4C and to owners of property within 200 feet of the site.

The site of this application is located within the jurisdiction of ANC 4C. ANC 4C, which is automatically a party to this application, submitted a written report in support of the application.

As directed by 11 DCMR 3324.2, the Board has required the applicant to satisfy the burden of proving the elements which are necessary to establish the case for a special exception pursuant to 11 DCMR 206 and for a variance from the strict application of the requirements of 11DCMR 3107.2. No person or entity appeared at the public hearing in opposition to this application or otherwise requested to participate as a party in this proceeding. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board, the Board concludes that the applicant has met the burden of proof, pursuant to 11 DCMR 3108, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board also concludes that the applicant has met the burden of proof, pursuant to 11 DCMR 3107, that there exists an exceptional or extraordinary situation or condition related to the property which creates a practical difficulty for the owner in complying with the Zoning Regulations and that the requested relief can be granted without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map. It is therefore **ORDERED** that this application be **GRANTED, SUBJECT** to the following **CONDITIONS**:

1. Approval shall be for **FIVE YEARS** from the date of this order. The applicant shall reapply to the Board prior to the expiration of the approval granted herein for evaluation of the parking situation and for permission to continue to provide parking as set forth in this order.
2. Operation of the school shall be limited to The Parkmont School.
3. The number of students shall not exceed 65 and the number of faculty shall not exceed eight.
4. There shall be no non-school-related activities on the subject premises.
5. Landscaping shall be in accordance with the site plan marked as Exhibit No. 44 A of the record of BZA Application No. 13985. as detailed by the letter marked as Exhibit No. 44 of the record.
6. Three parking spaces shall be provided on the site.
7. There shall be no enlargement of the existing paved area on the site.

Pursuant to 11 DCMR 3301.1, the Board has determined to waive the requirement of 11 DCMR 3331.3 that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party, and is appropriate in this case.

VOTE: 3-0 (Anthony Hood, Betty King and Sheila Cross Reid to grant).
